GLASSTIC OFFERS TWO EASY & EFFECTIVE FUNDRAISING OPTIONS

1. Face To Face

Determine a fundraising “blitz” period (typically 2–3 weeks) and get ready to launch! Depending on your organization, pass out forms in a way or place that works best. At the end of your “blitz” period, you will collect all completed order forms and place one order on the master order form, along with payment, to submit to Glasstic. We will process your order and ship it to your single designated address along with with a check totaling 50% of your total sales.

2. Online

Simply send us a request and we will register your school or organization, plus assign you with a custom checkout code. 35% is yours to split between your organization and each person in the form of a discount. Whether you give them 5% (you get 30%) or 15% (you would get 20%). Your pre-determined percent of total sales will be sent to your organization (on a monthly basis) and each person’s order will be delivered directly to their own door.
