Affiliate Compensation Policy

This compensation policy builds an integral part of our Affiliate Agreement.

1. You will be paid a referral fee on Qualified Products Sales (not including taxes, shipping) derived from customers referred directly by you or by one of your referred affiliates (tier 2) via the affiliate links provided by www.glassticwaterbottle.com.

2. Glasstic Bottle Co. will pay a 20% referral fee (tier 1) on all qualified Product Sales from direct referrals plus a **3% commission (tier 2)** on qualified sales from referrals by any affiliate who was referred by an affiliate and subsequently signed him/herself up for the program.

3. How and when you be paid?

Commissions are paid within 45 days of the close of a calendar month for all verified and approved sales in that particular calendar month. For example, if you refer a new customer in February then you will receive the commission on or before April 15th, assuming the customer does not take advantage of our 30-day money-back guarantee. **Payments will be made on a monthly basis, usually on the 15th of every month**, if the balance in your account is minimum \$50.00. Payments will be made through PayPal only for the amount due; if the balance in your account is less than \$50.00 at the date of payment, it will be carried forward to the following month. Commissions owed to you - even if less than the minimum payout amount - never expire and will be settled in case of termination of the account less adjustments for allowances and returns occurring during the relevant time period prior to termination. Tax ID or Social Security # is required if the affiliate earns more than \$600 commission within a year for 1099 tax purposes.

4. Payments will be earned throughout the term of this agreement. We reserve the right to adjust commission rates at any time, but such changes will not affect commissions earned from sales made prior to the date of adjustment.

5. Your referral fee payment will be offset by any returns and cancellations of orders from the prior period.

6. No compensation will be paid to you for product sales made after the date on which this agreement is terminated by either party for any reason. Upon termination of the relationship by either party, the affiliate will be required to remove all affiliate links from their website, newsletters, email correspondence or other locations.
